

ILLAWARRA CYCLE CLUB

Team Registration conditions and levy

Introduction

This document outlines the conditions and levies that will apply relating to the registration of teams within the Illawarra Cycle Club (ICC).

The ICC currently has a number of sponsors who support the club and contribute substantial funds to the club, these sponsors are highly respected by the ICC and the ICC is committed to ensuring that they are represented through its clothing and Media channels. The club is not opposed to the registration of teams within the ICC, but takes the view that registered teams should contribute to the club equally as our current sponsors. The ICC therefore has set conditions and levy fees for team registration.

All funds raised from the levies will be directly channelled into a fund to support the ICC juniors and growth of the club (excluding those who are members of other teams)

Levy charges

Team kit registration club levy \$1,500.00 per kit. (Does not include CNSW charges)

Rider levy for each team member will be \$150.00 each (note there will be a limit of 10 riders allowed per team)
